Our Community Connection Tree

Connection & Community | ECWW-RES-CON-003

Together we create. Together we connect. Together we belong.

Decorate a leaf and add it to the tree. Every contribution matters.

Add your own leaves, words, pictures and colours!

Create your connection leaves

Write, draw, colour or use symbols. You can leave a leaf blank too.

How to use your tree

1. Decorate one or more leaves with a kind word, memory, hope or drawing.
2. Cut out the leaves (ask for help if needed) and attach them to the tree.
3. Enjoy the finished tree together. Sharing or explaining is always optional.
